HB4125

I am vehemently opposed to ANY over-collection of taxpayer money being retained by the State, even that of Corporate taxpayers. It seems to violate the Oregon Constitution. Now it seems as though further manipulation is being attempted by HB 4125 which would result in the State keeping some of the over-collected tax revenue rightly owed to individual taxpayers. Perhaps the State should lower the tax rate of its citizens and businesses to reduce the likelihood of collecting more than 2% above the budgeted amount.

I say NO on HB 4125.
