Dear House Committee On Judiciary,

I am writing in strong opposition to House Bill 4145. Beyond my objection to making the process of gun ownership more onerous for law abiding Oregonians, I especially reject the creation of different classes of gun owners by the state. Additionally, it feels like the only “emergency” in play here is the need to rush this bill through without giving Oregonians a chance to be heard. Going forward, transparency would be much appreciated.

Sincerely,

Cheyenne Love
