Susie Dalessi

On Behalf Of:

Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB4125

I am against diverting kicker funds to any place other than originally intended, especially to PERS. We, the tax payers, pay for the consultants that were hired only to have their recommendations ignored. PERS has been in the dumps for twenty-five years and there has been no improvement. It is time for the government to live within their means like I have to.
