

Submitter: Peter Mitchel  
On Behalf Of: HB 4088  
Committee: House Committee On Judiciary  
Measure, Appointment or Topic: HB4088

In the 2026 United States, Oregon has become beacon of hope for those seeking reproductive and gender-affirming care. This bill will provide necessary safeguards for those traveling to our state to obtain care that is not available to them in their home state. Protecting care providers who deliver reproductive or gender-affirming care from the malicious attempts of out-of-state actors who wish to deny rights to citizens seeking care in Oregon is absolutely essential.

Please act to pass this legislation during the short session.

Sincerely,  
Peter Mitchel
