Measure, Appointment or HB4153  
Topic:

Please support HB 4153, so that the small farms in Oregon can continue to survive and have a means of support that helps our communities, our families, and our country.

The pure joy that children have when they come to Topaz Farm, or Pumpkin Patch and others on Sauvie's Island, where they have a chance to pick berries, wander in the corn maze, see the sheep, the donkeys, the chickens, to see that joy is such a gift. If we make it hard for the small farms to survive, that will be lost, and that will be a loss, indeed.

Make it so the small farms can survive: support HB 4153. Thank you.
