Measure, Appointment or Topic: HB4153

HB 4153 penalizes small farms, "because they weren't big enough" to fit in the categories, created in HB4153. In this respect it is very discriminatory. Oh if the farmer would have had just a \$100,000 dollars more to invest in the property, you would have qualified for one of the predetermined categories. It's such a shame that you came up short. Sorry, we just have to cut out some of your farm income. Too bad.

B4153 throws these small farmers under the bus. That's not acceptable. Go back and start over, and think "inclusive" vs "exclusive".

Thank you for considering my testimony.

Respectfully,
Michael Framson
