Measure, Appointment or Topic:	HB4145

I have lived in Oregon since the 1990s and enthusiastically voted for Measure 114. Please implement it now. There's been entirely too many delays! We need to reduce gun violence. I am a proud resident of North Portland. Being woken in the middle of the night by gunshots is horrifying. Please implement Measure 114's ban on large capacity magazines, closing the Charleston loophole, and the permit to purchase requirement now.

HB 4145 will make the implementation of those steps way more efficient and effective. Please have them in place once the Court rules. Thank you for your hard work. We really need your efforts to make us all live in safer neighborhoods.
