Committee:	House Committee On Revenue
Measure, Appointment or Topic:	HB4125

I am writing strong opposition to 4125! This kicker exists because there was more money collected than the forecasted need. Giving us back our money as required does not take anything away from what you said you needed.

I would like to suggest that you figure out what you did with the money we gave you, and figure out where the waste and fraud was before asking for more money.
