Measure, Appointment or Topic:	HB4145

"I am an Oregon resident who voted for Measure 114. I wanted it implemented immediately, as every day I read about the ongoing plague of gun violence in the state of Oregon. The delay due to the Courts has been frustrating. We need to reduce gun violence, and Measure 114's ban on large capacity magazines, is a minimal regulation, that doesn't interfere with the 2nd Amendment right to bear arms. The permit to purchase requirement should be in effect now, as a minimal safety measure.

HB 4145 will make the implementation of those steps more efficient and effective. They should be in place once the Court rules.

IFor all our sakes I urge passage of HB 4145 this session."

Thank you.
