I am an Oregon resident who voted for Measure 114. I wanted it implemented immediately, and the delay due to the Courts has been frustrating. We need to reduce gun violence, and Measure 114's ban on large capacity magazines, closing the Charleston loophole, and the permit to purchase requirement should be in effect now.

HB 4145 will make the implementation of those steps more efficient and effective.

Passing HB 4145 this session is not only a rational, reasonable step towards curbing gun violence, but also the only way to support and affirm a democratic process that upholds the will of the voters.
