Leslie Shaw

On Behalf Of:

Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB4125

I oppose this HB for many reasons. First off, it's not your money to steal. It's not my job to pay off PERS. Take it out of Tobis Reads pay. Since he didn't follow the advise given to him . My husband committed suicide a couple of months ago. Which voided life insurance. I need our kicker.

STOP WAITING MONEY.
