Measure, Appointment or Topic:

HB4145

I am an Oregon resident who voted for Measure 114. This was many years ago. I was relieved when it passed because we could take tangible steps to implement sensible gun reform. I wanted it implemented immediately, and the delay due to the Courts has been frustrating.

HB 4145 will make the implementation of those steps more efficient and effective. They should be in place once the Court rules.

HB 4145 MUST pass this session.
