HB4134

I live in Central Oregon, but travel throughout the state and I continually hear about the challenges to our wildlife. Please pass House Bill 4134— “1.25% for Wildlife”— and help the change that is needed. I strongly feel that increasing the state’s tourism tax by 1.25%, is the best option to help our wildlife. This bill will create a dedicated and sustainable funding source to support the recovery and conservation of Oregon’s most imperiled fish and wildlife species.
