On Behalf Of: Myself

Resources, and Water  
Measure, Appointment or Topic: HB4153

I oppose this measure as part of it leads to small farms being unable to sell produce at farm stands. We like having the choice of buying organic home grown produce. Please consider the position of Friends of Small Farmers, I agree with their analysis and position. We have some really good small farmers who will be closed down if this is passed.

Thankyou for your consideration
