RE: Testimony in Support of SB 1570-1

To the Senate Health Care Committee:

I am a nurse who cares for adults with cancer. My patients have so much fear and anxiety surrounding their diagnosis and treatment, and they should absolutely not have to fear deportation when they come to receive treatment. As a nurse, my job is to advocate for my patients and their safety, and it is so important to have a safe haven for these people as they navigate the scariest moments of their lives. Allow patients and providers privacy, it is the ethical thing to do.

Thank you for the opportunity to provide comment and I look forward to your support.
