Committee: House Committee On Health Care
Measure, Appointment or Topic: HB4127

I OPPOSE HB 4127.

This bill is at it's core, unethical and wrong, as well as unconstitutional. We, the people of the United States, should not be forced to utilize our tax dollars to pay an organization that we do not believe in, especially something that contradicts our faith and basic morals.

The people of the United States, and the people of the State of Oregon are not obligated to support Planned Parenthood. Planned Parenthood is a non profit organization, meaning they should rely solely on donations, grants, sponsorships, etc.... I do not believe in Planned Parenthood's mission therefore, I should not be held responsible to fund it.

I feel Oregon is currently in a culture of death and that we need to be more open to life, and aiding and supporting expectant mothers, their unborn, and the other vulnerable in society is the answer.

Please NO on HB 4127.
