

Submitter:

Ilene Curtis

On Behalf Of:

Committee:

House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or

HB4153

Topic:

I love being able to walk on the land where the actual crop is. Seeing how the crop is grown and produced so that we may use it is great. Flowers are great to see and to purchase to take home. Please allow our great hard-working farmers be able to make a living by allowing us to visit there farm stores.
