Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB4153

I am a small farm stand customer going on 40 years now. I am also a sometimes farm stand operator for my excess garden produce. These are cornerstone activities in my life allowing me to build community, financial networks, and learn far more than simply obtaining food of my choosing.

HB4153 would outlaw these vital links in my life. Oregon, who flies with her own wings, is a land of independence and freedom. Keep Oregon free. Vote NO on HB4153.

Thank you,
