

Submitter:

Steven Lindi

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

I oppose this measure. I believe it goes against the Oregon Constitution. This law will make my right to own a firearm a privilege I will be required to pay for. Which means it is no longer a right. It also turns anyone who is not law enforcement into a second class citizen. This is discrimination against Oregon residents who are not law enforcement.
