HB4125

Hello Chair Nathanson and Co-Vice Chairs Reschke and Walters,

My daughter is in 6h grade at Vernon Elementary in Portland, which, over the past few years, has had to increase class sizes and reduce services due to budget cuts.

I am writing in support HB 4125, because I believe it's important to modernize the Kicker to stabilize the General Fund so our schools can have more predictable and reliable funding.

I'm writing to ask you to pass this bill into law. With new federal legislation already impacting state and school budgets, we just can't afford to keep the current Kicker. Let's have a revenue prediction system that ensures investment in our children and in the future small business in our state.

Sincerely,

Nicole Lampe
