HB4134

HB 4134 would add a modest 1.25% increase to Oregon's state tourism tax, with funds dedicated specifically to wildlife conservation.

This would provide aid to over 300 vulnerable species and their habitats.

Outdoor recreation is a \$8 billion industry in Oregon. Our wildlife is a major draw, and a robust wildlife population will only add to the outdoor recreation industry. In addition, Oregon residents are lovers of wildlife and this bill would enhance the wildlife population for residents to enjoy.

Please support HB 4134. Thank you.
