

Submitter: Joanne Daschel

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB4088

To whom it may concern:

Reproductive care is health care. It's fundamental and should be freely available to those who live here and those who visit, seeking care, regardless of the restrictions placed upon them back home.

Stand for what makes Oregon the special place that we love, and vote in favor of this bill.
