Topic:

What, are you people stupid? No. You're not. You're simply the end result of capitalism--endless greed, endless fascism, endless conformity, endless waste, endless destruction.

My question is this: How do you fuckers sleep at night? Can you answer that? But then, I've noticed that the soulless, like you, sleep just fine. You're not bothered by destroying people's lives in order to enrich your own. You're not bothered kidnapping children off the street. You're not bothered with ICE roaming free like the motherfucking Gestapo that they are.

Anyone with a working conscience opposes this garbage bill.

Pull your heads out of your asses before we do it for you. I promise you, if we do it, it will be much more painful.

Fuck you.
