

Submitter: Barbara Martin

On Behalf Of:

Committee: Senate Committee On Health Care

Measure, Appointment or Topic: SB1570

I am a physician associate working at Central City concern's Old Town Clinic, a federally qualified health center in downtown Portland.

I am writing in support of this bill.

Patience and clients need to be able to seek medical care without fear of inappropriate and overreaching immigration enforcement by ICE.

Health care facilities should be considered off limits for these types of actions.

Thank you, Barbara Martin, MS, PA-C
