

Submitter: Claire Paquin

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB4153

Local farming needs to be protected! Small farms not only produce food for our communities in a more sustainable manner, but they bring so much joy to visitors! I always went to my local farm as a kid to pet animals, eat good food, and hear good music. It's a part of our culture and it creates revenue for rural communities to thrive.
