### **Support for HB 4007- Micromobility Standards**

Dear Chair McLain, Vice Chairs Boshart Davis and Gamba, and members of the committee,

The Oregon Trails Coalition advisory council includes representatives from more than thirty federal, state, and local agencies, trail user groups, outdoor industry and tourism partners, and volunteer organizations. We represent walkers, bikers, runners, paddlers, equestrians, adaptive equipment users, skiers, snowmobilers, and motorized trail enthusiasts.

We are writing today to share our support for HB 4007 with the forthcoming amendments as requested by our partners managing local parks and trails and agreed upon by micromobility advocates.

We believe this legislation sets appropriate and useful definitions and safety standards that are helpful for those managing trail systems as well as our streets and sidewalks for the safety of all users.

Thank you for your leadership,

Stephanie Noll,  
Director, Oregon Trails Coalition
