HB4145

What part of its our constitutional right of gun ownership, without government over reach.

Criminals do not follow the laws already. Placing restrictions, guidelines, permits, on law bidden citizens.

When you start understand what a illegal is, how to protect citizens prior to being robbed,or becoming a victim. Stop trying to take gun ownership away the ability to protect my community and family in the time it is needed not 20 minutes after becoming a victim when cops can get their.
