Cass Martinez

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural Resources, and Water

Measure, Appointment or HB4153
Topic:

I support this bill enabling farm stores, and allowing activities on small farms that keep them in business producing local food. The irreplaceable farms on Sauvie Island In particular have provided food, family entertainment, and a rural experience to nearby city folk during difficult times for farming. It's real work growing real food, and these enterprises deserve legal avenues to continue to stay in business.
