

Submitter: Wynne Furth
On Behalf Of: LEVO
Committee: House Committee On Judiciary
Measure, Appointment or Topic: HB4145

I voted for Measure 114 and talked to dozens and dozens of my neighbors about it, both when collecting signatures and campaigning. We want it implemented - the court delays have been very frustrating and have cost innocent lives. Please pass HB 4145 now. We need it now.

Thank you,

Wynne Furth
