HB4125

Dear House Committee on Revenue,

I absolutely oppose HB 4125 and ask that you do the same. We tax payers are done with you taking our hard earned money. Please audit all state retirement investments. In fact, audit all state agencies that receive any funding. Oregon families have to live with a budget and the government needs to as well. STOP stealing from the hard-working Oregonians. November isn't far off and we are sick of these shenanigans. VOTE NO!!!
