

Submitter:

Jaclyn Koanui

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

Legal gun owners are not the problem. Illegal possession and criminals that can access guns no matter how many gun measures you try to pass are what you need to be spending your time on. Stop punishing the lawful gun owners. I'm very opposed to gun laws that are hollow and have no clarity on how law abiding citizens can obtain licenses and permits required by this proposed measure. I want a vote so I can oppose this.
