I am an Oregon resident who voted for Measure 114. After the measure passed I hoped that it would be implemented right away. I am disappointed that there has been delay in the Courts. We need to reduce gun violence, and Measure 114's ban on large capacity magazines, closing the Charleston loophole, and the permit to purchase requirement should be happening now.

HB 4145 will facilitate the steps needed to make Measure 114 a reality. It MUST pass this session!
