HB4145

I oppose measure 4145. Tired of politicians in Oregon infringing on our 2nd amendment right. Only law abiding citizens are affected by this. It's also completely out of line that you think it's ok to give "leniency" to retired law enforcement and government employees, mandate longer approval time from 30 days to 60, or that you all think that you can deny permits on "subjective judgment"... who's determining this? Because at this point I don't trust politicians here to make that decision. I hope this State is taken to courts on this, since you all like to shove this stuff down our throats, regardless of what we oppose. Again, I oppose measure 4145.
