On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB4145

I strongly support HB 4145. Oregon already has way way waaaaayyyy too many guns, and access to buy them is far too easy. The founders would have never imagined that this country would ever have become awash in the sounding number of weapons as it now is.

Make gun ownership harder. Pass HB 4145 now.
