HB4145

Chair Knopf and Members of the Committee, As a lifelong Oregon gun owner I would like to submit my strong support for HB 4145 and urge a do pass recommendation. The permit to purchase and high capacity magazine limits are common sense, proven ways to reduce gun violence and suicide. I do not believe they impose any undue burden on my ability to hunt, target shoot or provide for home defense. Please pass this legislation to implement voter-passed Measure 114, Thank you for the opportunity to testify,
