

Submitter:

Shan A Greer

On Behalf Of:

Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB4125

This is one more way for the democrats of Oregon to get yet more tax dollars from their constituents to fix problems they caused by irresponsible spending. I do not support this change. I resent this change. I will vote every last one of you out of office if you support this. You are doing great job driving Oregon to be a Red state. Ask Florida reps how it feels. You are on your way.
