

Submitter:

Amy Koski Zarraga

On Behalf Of:

Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB4125

Please support the kicker reform during the 2026 session. As I watch my child's school cope with painful budget cuts, it is maddening to know that the resources to prevent this exist, but are being returned to wealthy households. I look forward to your partnership in funding our schools.

Sincerely,

Amy Koski Zarraga, Concerned parent
