HB4145

I oppose HB 4145.

This bill will not have the intended outcome since responsible gun owners are not the ones being irresponsible with their guns and are purchasing guns legally. This feels like 'punishing' those who follow the rules in hopes of managing those who don't get their guns the right way. If you notice every arrest or traffic stop associated with drugs includes a gun that was not purchased legally or registered to the person picked up. Let's be real. Passing this bill will not improve safety of our communities and a majority of folks with guns illegally will still never purchase a permit for their gun.
