Measure, Appointment or Topic: HB4125

Dear Chair Nathanson, Vice Chairs Reschke and Walters and members of the House Revenue Committee,

I am an Oregon voter in 97206. I want to urge you to support HB 4125 to modernize the Kicker. Please vote to move it forward!

The Revenue Forecast Modernization Act (HB 4125) is a solid government measure to create more accurate revenue predictions and thus a more stable state budget.

We need increased resources

- more revenue - in order to fulfill basic and foundational social promises of quality public education, access to housing and food security, and social services and medical care. It will take

\*more\* than passing HB 4125 to generate the necessary revenue, but it is a step in the right direction.

I will be paying close attention to the elected officials who support HB 4125 for election season. I will not look favorably on officials who do not support this step in the right direction

Taxpayers don't count on the kicker, they've already paid the kicker, and won't miss the kicker.

As a parent to three, I can see the stress and learning loss created in overcrowded classrooms. There is no more to cut, our children deserve better.

In a time of huge federal cuts, we need state revenue for: healthcare, education, housing, disability services, climate mitigation, infrastructure and transportation - including buses, walking, and bikes.
