Measure, Appointment or Topic:	HB4145

I am an Oregon resident who voted for measure 114. I would like it implemented immediately, and the delay due to the courts has been frustrating. We need to replace violence and implement the measure 114 ban on large capacity magazines while closing the Charleston loophole. The permit to purchase requirement should be in effect now. HB4145 will make the implementation of those steps more efficient and effective. They should be in place once the court rules. HB4145 MUST pass this session.
