Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

I strongly oppose HB4145. Besides the most glaring fact that this bill is a direct violation of our Second Amendment right under the US Constitution, it also is a violation of our state constitution by allowing a separate class of citizens to avoid parts of the law. Additionally, tax dollars are wasted when these unconstitutional bills are passed and have to go through the court system. Please do NOT advance this bill.
