HB4134

Please support HB 4134 with the - 1 amendment to increase the state lodging tax by 1.25% and help recover Oregon's most vulnerable fish, wildlife and habitats.

I work at Cascades Raptor Center, an education and nature center specializing in birds of prey. As someone who works directly with our native wildlife, I know the positive effects they have on the folks who visit us. We have visitors not only from around the country, but around the world, coming to see our local wildlife. Oregon is known for our magnificent rivers, vast forests, incredible coastal range and all the creatures that call those places home.

This is a once-in-a-generation opportunity to protect our natural legacy and rich biodiversity, which make this state so special. Please pass HB 4134 -1 this legislative session!
