

Submitter: Steve Montana  
On Behalf Of: Valley Flora Farm  
Committee: House Committee On Agriculture, Land Use, Natural Resources, and Water  
Measure, Appointment or Topic: HB4153

Co-Chairs Helm and Owens, Vice-Chair Finger McDonald, and members of the House Committee on Agriculture, Land Use, Natural Resources, and Water:

My Name is Steve Montana and I am a COMMUNITY MEMBER/FARM STAND CUSTOMER in Port Orford. I am writing to you today to express my opposition to HB 4153. Farm stands are a vital part of connecting the public with our food system and building an understanding of what it takes to go from field to fork. But HB 4153 would restrict who is allowed to have a farm stand, replace current definitions with Farm Stores, and give large land owners privileges at the expense of small farm stands in Oregon. We need to find a better solution.

I care about this because I am dependent on Valley Flora Farm produce for my daily menu and health.

As well, the owners, farmers, and all workers there are wonderful people and this is their livelihood.

Consider answering some of these questions or using these statements as a jumping off point in your testimony:

I operate or frequently go to a farm stand that would not meet the acreage requirements in section 2.2 of the bill.

Small farms need to have the same opportunities to sell their produce as larger farms.

Why is small farming important to you? What is the value of small operations in your community?

Why should large acreage farmers gain privileges at the expense of smaller acre farmers?

Why should a small farm be any less legitimate than a large farm when it comes to defining farm use?

What do farm stands do for your farm business or community?

What does it mean for you, your farm and your community if the primary purpose of a farm stand becomes agritourism events, not the sale of farm products?

We are asking you to not place a higher burden on the smallest farms. This bill takes away opportunities from small land holders and farms in order for larger operations to be able to host more events. This is not a good bargain for Oregon and a better deal must be found.

Thank you,

NAME Steve Montana
