Measure, Appointment or Topic: HB4083

Dear Members of the Oregon Legislative Assembly,

I am joining my fellow social workers to OPPOSE HB 4083. As a licensed clinical social worker who has been working in mental health for almost 20 years, and currently working on an interdisciplinary team, I know that social work is not the same as other clinical professions. The supervision and regulation of social workers is best handled by social workers. I oppose the BLSW being transferred to the MHRA.

Respectfully,
Sarah L Satter, LCSW
