

Submitter:

Kelly McLarney

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4145

I oppose HB 4145. The bill burdens law-abiding citizens while doing nothing to stop criminals, diverts resources from real public-safety efforts, and disproportionately harms rural and lower-income Oregonians. The hearing was not posted on OLIS until last Monday morning, limiting public participation. For both policy and process reasons, HB 4145 should be rejected.
