Measure, Appointment or Topic: HB4125

Dear Chair Nathanson, Vice Chairs Reschke and Walters and members of the House Revenue Committee,

I am an Oregon voter in 97214. I want to urge you to support HB 4125 to modernize the Kicker. Please vote to move it forward!

The Revenue Forecast Modernization Act (HB 4125) is a solid government measure to create more accurate revenue predictions and thus a more stable state budget. We need increased resources - more revenue - in order to fulfill basic and foundational social promises of quality public education, access to housing and food security, and social services and medical care. It will take more than passing HB 4125 to generate the necessary revenue, but it is a step in the right direction. In a time of huge federal cuts, we need state revenue for healthcare, education, housing, disability services, climate mitigation, infrastructure, transportation - including buses, walking, and bikes. I emphatically stand with the many families, educators, and advocates who are rallying in support of this measure.

Thank you.
