Measure, Appointment or Topic:

HB4145

I oppose this bill and how can you pass a bill when it will not effect those who are trying to pass it ? #1 most Oregonians who hunt/target shoot have a lot more practice the do law enforcement who qualify 1 TIME A YEAR , how does that make them more qualified to carry ?? IT DOESN'T. And this bill would change all of that and create a tier system which is unconstitutional in the Oregon constitution
