

Submitter: David Delk
On Behalf Of: Peace Action Group- 1st Unitarian Church
Committee: House Committee On Judiciary
Measure, Appointment or Topic: HB4145

The voters of Oregon spoke very clearly when they approved Measure 114, a measure to place limits on firearms in Oregon. Since its approval, gun violence gets more frequent and deadly. We need to implement the measures included in #114, the sooner the better, without delay, get your **** in gear and approve this legislation.
