

Submitter: Laurie Moses

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB1594

Dear Honorable Senate Committee,

I am writing in support of SB 1594. We need policies and procedures in place that will help our public agencies respond to interactions with ICE or Border Patrol individuals in a manner that keeps things calm and everyone safe. Please do all you can to pass this bill.

Thank you,

Laurie Moses
