

Submitter: Sandra Sperry

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB1507

Taxes are already a burden in our state, rather than always looking for ways to raise more money, the government should audit where they are spending money and eliminate all fraud and waste. Oregonians don't want more government rules and regulations. Disconnecting from the federal tax code also makes completing our taxes much more difficult and expensive for all Oregonians. I do not support this bill.
